JENNY NELSON

Background in humor & digital experience, dedicated to sustainability & access to resources

Bachelor's degree @ NYU Gallatin School of Individualized Study '14

Code Societies student & exhibitor @ School for Poetic Computation '18

RELEVANT EXPERIENCE

FREELANCE COPYWRITER

Codecademy
Brooklyn, NY | MAY 22 - PRESENT

I work closely with a creative team of designers and writers, as well as CRM, social media, and content leads, to develop ideas and copy for landing pages, on-site UX, emails, paid ads, and more. I maintain a glossary of product features to ensure value propositions and product descriptions are consistent and accurate.

COMMUNITY COMPOSTER

Imani Community Garden
Brooklyn, NY | SINCE JUL 2021

I work weekly shifts at the food scrap dropoff for my community garden's compost program. I greet visitors, collect and record data regarding the compost piles, coordinate with other members, and perform additional tasks around the garden.

Earth Matter

Governor's Island, NY | MAR - MAY 22

I learned and worked with a cohort of 8 GreenThumb-sponsored apprentices at Earth Matter's Compost Learning Center and Soil Start Farm, where we maintained a variety of compost devices, grew plants from seed with amended soil, and gained skills to take back to our community gardens.

SENIOR WRITER, CONTENT & PRODUCT

Google Primer
New York, NY | SEP 18 - APR 22

I wrote creative content, UX, and marketing collateral for Google Primer, an educational app for small business owners and job seekers. I oversaw illustrations and translations of app content localized for markets worldwide and led the effort to create content centered on workplace inclusion.

CREATIVE EDITOR

Poncho
Brooklyn, NY | DEC 16 - JUN 18

I wrote, edited, and coded forecast jokes, horoscopes, and additional interactive content for Poncho, a weather app and multi-platform chatbot with a global audience. I created a bot version of Andy Cohen's dog Wacha in a partnership with Bravo and 'Watch What Happens Live.'

GALLERY SUPERVISOR

Powrplnt
Brooklyn, NY | AUG 16 - SEP 19

I supervised an afterschool computer lab in a Bushwick art gallery and community space. I opened and closed the lab, greeted visitors, assisted children and adults in using the computers, and coordinated with event organizers.

FREELANCE WRITER

Brooklyn, NY | MAY 13 - JAN 19

I've written humor essays, interviews, profiles, videos, and interactive online experiences. My work has appeared in digital and print magazines including FADER, Videogum, and The Awl.
